Description

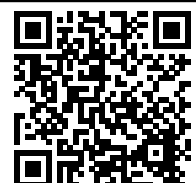

Circa 1890 -1900 a pair of heavy brass, twisted candlesticks in very good condition and recently professionally polished. This is an earlier pair of this design. They measure 31cm in height, the bases are 14cm in diameter and they take 2c diameter candles. They are solid brass and weigh .8kgs each, with thick brass twists around the central column, and there is no sign of damage to either. Postage and packing is included in the price for the UK mainland and for outside areas or delivery abroad please contact us for a quote. Thank you.
