Description

A superb antique inlaid mahogany marble top open bookcase / sideboard. This was made in England, it dates from around the 1910-20's. This has a lovely inverted breakfront design, with a gorgeous light green marble top. The front is open with lots of adjustable shelves, offering plenty of storage space for books. The mahogany has a lovely colour tone and patina, it has fine satin wood inlay on all sides. We have had this recently re-polished, the condition is excellent for its age.
