Description

An antique French country kitchen table with drawer, circa mid to late 19th century. Made from weathered and faded French oak. It's got a large, well worn top in a nice lighter oak colour. There are some marks and signs of wear as you can see from the pictures, this was clearly a well used country kitchen table. It's strong and sturdy with a useful drawer and it's ready for a new life in a different home. A practical piece full of character, it's been finished with traditional wax polish giving it a nice gentle sheen and lasting protection.
