Description

A lovely Art Deco desk calendar in a sterling silver frame on an ebonised wooden base. It has a full set of date and week cards. There are two knobs on the top of the calendar that would have originally turned a line marker but this is no longer present. The frame is clearly hallmarked for Birmingham, 1929 although the makers mark is slightly rubbed. It's in good condition for its age. The silver frame has some small dents and marks here and there but nothing detrimental and the wooden base is in good order. It has been lightly cleaned and polished and displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £8
