Description

This is a pair of antique figural andirons. A French, bronze decorative fireside tool rest with female form in country house taste, dating to the late Victorian period, circa 1850. Strikingly decorative fireside interest with fine tonality. Displaying a desirable aged patina and in good order. Substantial bronze shows wonderfully weathered hues. Rear rests also crafted in bronze, an unusual choice. Superb female figure, holding a long bow and a quiver in the other hand. Flowing hair and gown detail presents well. Rest has a depth of 16cm for supporting smaller grates. Good weight in the hand at 3.19kg and 3kg respectively. This is a delightful pair of antique figural andirons, graced with charming country house appeal. Delivered ready for the fireplace.
