Description

A beautiful solid silver Indian box. It is unmarked but tests as high grade silver. I would date it to c1900. It has been beautifully hand made being in a love heart form. It is in superb condition being free from dings splits holes and repairs, tiny 2mm area at the front where the seem doesn't join, see final photo. It measures approx. 2.5 inches (6.5cm) across by 2.75 inches (7cm) front to back by 1 inch (2.6cm) tall and weighs 82 grams. A superbly designed beautiful example.
