Description

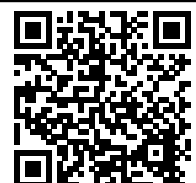

A very stylish and comfortable antique Swedish leather wing back armchair. This was recently imported from Sweden, and it dates from around the 1930's. The quality is fantastic, this has fairly small proportions for a wing chair, it still has plenty of seating space and is very comfortable. The leather which is original has a gorgeous colour and patina, with brass tacked studs around the edges. We have had the leather hand coloured and revived by our leather restorer, the legs have also been re-polished. They are in excellent overall condition for their age, with only one tiny nick on the inside back which has been patched and repaired from the inside, seen in the images. Width – 25 inches , 64 cm Depth – 29 inches , 74 cm Height – 37 inches , 94 cm Seat height – 17 inches , 43 cm
