Description

Dolphin Clockwork Toy * English 1930s * Clockwork mechanism - No key * W: 43cm (16.9") H: 11cm (4.3") D: 10cm (3.9") This delightful English Dolphin Clockwork Toy from the 1930s is a charming piece of nostalgia and vintage craftsmanship and is a testament to the ingenuity and creativity of its time. Crafted in England, this amusing toy features a clockwork mechanism that captures the playful spirit of a leaping dolphin and brings it to life. Although it no longer comes with a key, its whimsical design remains captivating and its historical significance remains intact. While it may not swim through the waves like its real-life counterpart, it certainly adds a touch of nostalgia and playfulness to simply as it is presented. If you're a collector or simply appreciate vintage treasures, this piece would make a delightful addition to your collection.
