Description

RARE PAIR of delightful antique Afghan hand knotted wool runners. Good quality hand knotted wool runners of a very pleasing design and lovely natural colours. I have never seen an antique pair before, you get loads of modern machine made ones that are matching but to get an old pair is very un-common. The condition is pretty much OK but there is some minor wear to both of them and slight abrash to one of them. SIZE; Both are 265cm by 83cm CIRCA; 1920
