Description

A lovely antique pine storage cupboard with a shelved interior. It has a single panelled door with a turned wooden knob and it stands on a simple plinth base. It comes with a working key. It has good small proportions and would make a great larder cupboard or linen cupboard. It is in good condition and the pine has mellowed to a lovely warm colour over the years. It has been cleaned and given a smooth waxed finish, retaining its lovely aged patina. The shelves inside are generally clean and tidy. There are of course some signs of age and use, a few old marks, knocks and splits here and there but nothing untoward. There are some minor signs of historic worm which has all been treated as a precaution and hasn't affected the piece structurally or aesthetically. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
