Sold**Item Reference: SA1049864****Date of manufacture: 19th Century**

Description

A C19th Tunbridge Ware book slide, in mahogany and rosewood with hinged arch ends with pierced carrying handles, both ends decorated with panels of geometric mosaic within mosaic borders. These are great for displaying some of your special books on. The book slide extends out if you want to display more books. Slight discolouration due to sunlight on the extended section where the books are displayed. It measures approx 35 x 13.5 x 17cms, and when extended it measures 58cm at its maximum. From the collection of the late Dr. Brian Austen, author of a book on Tunbridge Ware.
