Description

19th Century Wrought Iron Garden Bench with Original Patina * English 19th Century Victorian Period * Made from thick gauge wrought iron * Decorative and Practical * Wonderful form * Lovely Strap Work Design * Scrolled Arms, Strap Work Back and Seat * Very comfortable * Very Firm Standing * Superb original untouched condition throughout * Old distressed original white paintwork * Free from damage and repair * W: 183cm (72") H: 87cm (34.3") D: 70cm (27.6") This beautiful 19th Century Victorian garden bench is a most decorative and practical piece with the original patina. It is very firm standing, of wonderful form and made from thick gauge wrought iron with a lovely strap work design; as can be seen the scrolled arms are adjoined by a strap work back and seat. It is very comfortable and is in superb original untouched condition throughout and free from damage and repair. The old distressed white paintwork gives it a really authentic and magical look – all in all a great looking bench.

Internal Ref: FL011
