Description

Superb Edwardian mahogany planter in original untouched condition with wonderful patina and colour. This is a solid planter with wooden strap and carved feet. It retains its original purpose made brass liner with swing handle. Like all antiques there are some imperfections but these only add to this bucket's character and charm. An attractive little bucket with many uses from a wine cooler, waste paper bin, coal bucket, plant holder to name a few. A great piece of history to be welcomed in any home.
