Description

A wonderful original antique Georgian mahogany tilt top occasional table. This was made in England, it dates from around the 1790-1810 period. The quality is superb, this is very well made and is a useful size. The solid mahogany has a gorgeous colour tone and beautiful patina acquired over the years. The circular top sits on a tripod base, it can flip up to save space when the brass catch under the top is released. We have had this recently re-polished, the condition is excellent for its age. There is just some minor wear and small marks remaining here and there beneath the polish, commensurate for age. Width – 19 inches , 49 cm Depth – 19 inches , 49 cm Height – 27 inches , 69 cm
