Item Reference: SA105032

Date of manufacture: Victorian

Description

An authentic Victorian Copper and brass Samovar of nice shape and proportions. Turned mahogany lid handle and tap handle. Tap works nicely. Just the usual light battlescars one would associate with a true antique of it's age but very tidy and attractive. Samovars were usually kept on a sideboard to provide hot water at the dinner table.
Dimensions: 14" tall x 9"dia (main body)
