Description

1953 Bulova wrist watch. The watch has a 21-jewel hand-winding movement which is working nicely. The movement is fully signed with the Bulova name and it has the date code for 1953. The watch measures 21mm wide excluding the winding crown and 35mm high excluding the lugs so it is a mid-size / unisex piece. The case is 10k rolled gold. The front of the case is in good condition. There is some wear and surface marking on the back of the watch. The curved lens is in lovely condition. The signed dial is in its original finish with original hands and a subsidiary seconds dial. A new leather strap has been fitted. The watch comes in a new presentation box.
