Description

A lovely pair of antique French neo classical table lamps, dating from around the 1900-1920 period. They are of great quality, the bases are turned solid wood, the upper urn shaped sections are metal and all are finished in a powder blue colour. There are very high quality gilt metal mounts, they are a great size and are very impressive. The condition is very good for their age, there is just some wear and chipping to the paint finish on the lower sections of the bases. We have had these re-wired, they are in good working order and have been paired with a beautiful pair of modern conical shades. Width base – 6 inches , 15 cm Width shade – 14 inches , 36 cm Height to socket – 21 inches , 53 cm Height to shade – 28 inches , 71 cm
