## Description

English c 1900 Carved Wood Jardiniere Stand On Castors \* English circa 1900 \* Very good condition and colour \* Original castors \* Deeply carved egg and dart design with beading above \* Well cut later marble insert \* Excellent base for large vases or lamps \* Offers flexibility of position and possible protection of items \* H: 18cm (7.1") Di: 55cm (21.7") This pleasing turn of the century item is a wonderful example of a good country house piece which would have brought to prominence a very large ceramic vase or jar or similar, raising it from the ground and offering a degree of protection from possible damage. In addition the castors would have allowed for it to be moved around easily and facilitated cleaning and ease should it need to be re-positioned. This stunning circular carved wooden jardinière stand, with deeply carved egg and dart decoration with beading above, is still on the original brass castors. The whole demonstrates very good condition and colour, having been recently lightly waxed to feed the wood. The white marble insert is later, but effective and well cut to suit. The flexibility offered in this wonderful piece makes it suitable f...
