Description

Antique Chinoiserie Decorated Oval Tray * Swedish 19th Century * Toleware * Wonderful patina with crazed surface * Profusion of colourfully vibrant and intact painted decorations * Small scratch to front surface does not detract in any way * W: 72cm (28.3") D: 55cm (21.7") This great decorative piece is a larger than usual 19th Century Toleware oval tray and was purchased in Sweden. It is beautifully decorated with a profusion of oriental scenes, flowers and figures which still remain colourfully vibrant and intact below the crazed surface. There is one small scratch to the front surface but this does not detract in any way. This is the perfect item to choose as a unique gift for that special occasion.
