Description

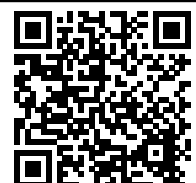

A stunning vintage Art Deco cocktail shaker in silver and gold plate. This shaker came to us in a very worn condition. Our silversmiths have done an amazing job in restoring it to its former glory with silver plate on the outer case and lavishly finished in gold on the inside. The arrow is pointed to the desired cocktail and the ingredients are revealed in a series of windows. This example is Italian in origin and is lucky enough to have been signed by "Angelletti, Roma", founded in 1940 with a shop on Via Bocca di Leone in Rome. This piece would date from 1940 to 1950. Superb condition, measuring 3 25" in diameter x 8" tall. Item: 44367 FREE Worldwide Registered Airmail Directly From the UK
