Dimensions

Height = 2.7 cm (1.1")

Description

Beautiful diamond and emerald antique earrings, set with rose cut diamonds and cabochon bead columbian emeralds, beautiful colour and clarity, they have not been tested for origin but they are possibly columbian as they seem like Portuguese or Spanish in style set in high carat gold, dating from the late 18th century, European. Really beautiful antique rare earrings. An independent report from the Gem and Pearl Laboratory dated June 2024 states they are Columbian and with minor and moderate enhancements. This is an independent out of house report. SHIPPING All orders will be posted with a full tracking and signed for service. FREE DELIVERY on all orders worldwide.
