Description

Super little pair of 1920's French petit side tables in mahogany with brass mounts to the feet. These tables are finished on all sides, so they can free stand as living room side or sofa end tables for example, or they can be ideal for bedside tables in a smaller space to tuck into a tricky area! Slight bow front to them and with their two tone colour, the slight bow front and shaped legs, they are a good decorative pair of side tables. Measuring: H:28" / 71cm W:11" / 28cm D:10.5" / 27cm
