Description

An absolutely stunning antique Art Nouveau carved mahogany nest of four tables. They were made in England, they date from around the 1890-1900 period. The quality is outstanding, each of the four tables has unique botanical themed carving on the outer and inner legs. The carving is crisp and extremely finely executed in a most impressive manner. The tops are solid mahogany, the tables nestle smoothly under one another and store away to a nice compact size. We have had these recently re-polished, the condition is excellent for their age. There is just some extremely minor wear and patina here and there. Width – 20 inches , 51 cm Depth – 13 inches , 32 cm Height – 27 inches , 69 cm
