Description

Technical Description A magnificent 19th century Facon De Venise Glass Chalice, probably by Salviati dating to c1880. Made from iridescent light cranberry glass with pulled white Opaline. Around the bowl are six clear looped rigaree handles between six white applied flowers with yellow buds. The central knobs have the same design with three looped handles and three flowers, which all sit between upper and lower clear capstans. Conical light cranberry foot with pulled white Opaline. **Date & Origin** Italy, c1880 **Condition** Excellent. One of the white flowers on the bowl has a yellow bud missing and the three rigaree crimped handles on the middle knob have had some restoration. Its very minor with no chips or cracks. **Dimensions** Height: 28cm Rim Diameter: 11cm

Internal Ref: 2024020101
