Description

A superb solid silver table desk box. It is hallmarked and tests as high grade silver I would date it to c1940. It has been beautifully designed and is in super condition being free from dings splits holes and repairs, the inside is clean and the lid closes tight. It measures approx. 2.75 inches (7cm) across by almost 1 inch (2.4cm) tall and weights 90 grams. A high quality example.
