Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This watch is totally original and in near mint condition. The watch is the Omega Seamaster Oversize from 1964 with calibre 552 fully automatic 24 jewel movement widely considered to be one of the most reliable Omega movements ever made. The model reference number is the rare 165.011 Seamaster Oversize this model is rarely seen. The silver dial with faceted lozenge markers with black onyx inserts is totally original and perfect there are no blemishes and no restoration has been carried out. It has the Omega symbol on the winding crown. Even the glass is original and in superb condition it still has the small Omega logo etched to the centre. It comes with a leather strap of your choice or a top quality stainless steel mesh bracelet just let us know your preference. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 36mm in diameter not including the crown which make...
