Antique French Six Light Bronze Chandelier Louis XVI Style This elegant six light bronze chandelier is suspended by decorative chain links from the ceiling rose. The central turned column leads down to the upward facing dish with gently curving out-swept arms that hold the candle light bulbs. The chandelier has been sympathetically cleaned and re-polished to restore its original bright splendour, bringing a touch of sophistication to any room. It has been tested and is in full working order. As with all electrical lighting we recommend having it tested by an approved electrician.
