Description

The sky blue field is unusual in this fine, North East Caucasian rug and it has a range of other saturated natural dyes that work well together. In outstanding original condition, with original ends and sides, no repairs have been carried out on this time capsule item, although there is slight wear in a couple of small spots that can be easily rectified. 4'3" x 9'6" Price includes VAT @ 20% which can be reduced for export out of the UK
