Description

A Walker and Hall made silver hip flask. It's an unusual unique example because this particular hip flask was presented by Stamford Bridge Stadium LTD known as Chelsea FC which is engraved on the front. The silver dates to George V 1918 Sheffield. It has a removable bottom silver sleeve and a corked screw lid to the top which works well on its hinge. The overall condition concludes a few bumps and nicks but genuinely in a good state and a prime example. Materials: Silver Age: 1918 Dimensions: H: 16cm W: 8.5cm Weight: 220 grams
