## Description

Stunning Oriental Camphor wood blanket / storage box in excellent condition with only minor marks/ scuffs in line with age and use. Beautifully decorated with fierce fire breathing dragon deeply craved in the centre of the lid and front, edged by carved Chinese floral pattern. Shell like handles are carved into the sides and the lid. The hinged lid with brass lock lifts to reveal a very clean interior ideal for storing extra blanket, pillows etc at the end of the bed however with its gorgeous rich colour and incredibly detail carvings why not show it off in the main room as a very decorative coffee table.
