Description

A charming and very well made antique Georgian mahogany tilt top occasional table. This was made in England, it dates from around the 1790-1810 period. It is of very good quality, the top has a raised pie crust edge and can be flipped up by releasing a brass catch mechanism to save space. It sits on a solid mahogany tripod base. We have had this re-polished, the condition is excellent for its age. There is just some normal wear and patina you would expect to see on a two hundred year old table. Width – 22 inches , 56 cm Depth – 22 inches , 56 cm Height – 29 inches , 72 cm
