Description

A good opportunity to acquire a fabulous matching pair of walnut Art Deco bedside tables. Originating from England and dating to the early 1930's they fill both the highly desired shape of Art Deco at its best and sort after the luscious veneers of burr walnut. A wonderful design to delight the eye and with their original wooden handles. Lots of storage space with three generously sized drawers. Both cabinets have been professionally and fully restored. Drawers open smoothly and without effort. No damage to report. Very sturdy and perfect height for both a period or modern bed. Images taken in natural daylight. Offered with free two man UK mainland delivery.
