Description

This is an antique banker's chest of drawers. An English, oak tallboy in Aesthetic Period taste by Maple & Co, dating to the late Victorian period, circa 1890. Exceptional craftsmanship with rich colour and a suite of features. Displays a desirable aged patina and in very good order. Select oak stocks present fine grain interest and rich biscuit hues. Offers a suite of five graduated drawers and a pair of storage compartments. Stout top secured with a Bramah lock — in working order, key present. Well proportioned storage to the front section, with a through-pin to the rear. Once removed, a writer's repository with pen trays opens at the rear edge. Drawers dressed with brass drop handles over shaped backplates. Each drawer lock operates with one of the three supplied keys. Maple & Co's maker's mark to be found on the upper edge of the drawer front. The whole stood upon a continuous plinth foot. This is a striking antique banker's chest of drawers, with a suite of delightful storage opportunities and of a wonderfully crafted, quality appearance. Solid joints and construction, delivered ready for the home. Dimensions: Max Width: 68.5cm (27") Max Depth: 48cm (19") Max Height: 122...
