Description

A rare superb quality solid silver cigarette case. It is hallmarked with Czechoslovakian marks including a 900 silver standard mark. I would date it to c1940's. It has been beautifully designed and sprung so it flips open when the button is depressed. It is in superb condition being free from dings splits and repairs. A slight mark to the reverse from the catch mechanism. - see final photo. It measures approx. 3 inches (8cms) long by over 2.5 inches (6.8cms) wide and weighs 90 grams. A super quality example.
