Date of manufacture: 19th Century

Dimensions

Height = 66 cm (26.0")

Width = 177 cm (69.7")

Depth = 16 cm (6.3")

Description

A huge 19th century carved chestnut panel, depicting a still life harvest relief. The folk art panel is superbly carved, and depicts hanging game, sea food, fruits, grape vine, wine, vegetables and hunting paraphernalia. The panel is in original untouched condition and does have some old areas of wood worm damage, which is no longer active. The surface has a lovely dry patina, this would look amazing framed and displayed in a restaurant.
