Description

This stunning antique French Art Nouveau mirror is a magnificent addition to any home decor and is incredibly rare. The beautiful decoration on its gilded frame is pure Art Nouveau, reminiscent of the Paris Metro. Measuring 196cm in height and 114cm in width at the shoulder, the mirror is a large statement piece that will draw the eye in any room. Made in C1900 the bevel glass plate is very distressed giving it a great antiquated look. The panel back has one board missing but this cannot be seen when hung or leaning on a wall. It is perfect for collectors of antique art nouveau and those who appreciate the beauty of the past.
