Description

This sweet necklace features an antique heart encrusted with many paste stones on its body, glistening as they catch the light. It is modelled in silver on a 16-inch modern sterling silver chain. Paste is a special type of hand-cut glass used since the 18th century to replicate Gemstones. This wonderful necklace looks fabulous worn and would make a great addition to any collection. STONES Paste METAL Sterling silver MEASUREMENTS Measures 2.1cm x 1.3cm, including bail Measures 1.4cm x 1.3cm excluding bail Chain measures 16" in length HALLMARKS 925 WEIGHT 4.3 grams CONDITION This antique paste heart necklace remains in very good condition. The stones are all secure, with some showing slight discolouration due to age. The large sterling silver bail allows you to wear it on any chain, and it looks fabulous whilst worn, sparkling immensely. It would make a superb addition to your antique jewellery collection.
