Edwardian Silver Plated Coffee Pot & Hot Water Jug Set

Price

Sold**Item Reference: SA1053117****Date of manufacture: Edwardian**

Description

Elegant Antique Edwardian Period Quality Silver Plated Coffee Pot & Hot Water Jug Matching Set. Impressed to the bases: E.P.N.S (partially rubbed). Condition: The silver plate is in excellent order, with just the tiniest suggestion of rubbing in one tiny patch. No dints, bends or dents. The hinges on the lids are secure and the lids align well. Very minor wear, including a little to the top of the handles. They have been polished externally to a nice shine. Measurements (approx): Overall height to top of lid finial: 23.5cm Height of body: 15cm Diameter of base: 9.75cm Combined weight: 1.49kg

Internal Ref: 1187
