Description

A very good Edwardian period mahogany chest of drawers by Jas Shoolbred & Co of London. Whilst not bearing the makers retail label we are sure that it is made by Shoolbred and it also bears appropriate registration marks. Of very good construction in solid mahogany, with mahogany drawer linings. With a useful arrangement of 8 drawers, all fitted with their original solid brass handles. The bottom "deep" drawer extends into the plinth thereby providing maximum storage capacity. Cleaned and waxed in our workshops. Now offered for sale in excellent original condition. A few minor historical marks to the top do not detract from its appearance. It has a good colour and patina, ready to go straight into the home.
