Description

A lovely antique Edwardian mahogany occasional side table. This was made in England, it dates from around the 1900-1910 period. It is of excellent quality, solid mahogany throughout, it is a useful size and has a beautiful design. The top is nicely shaped, this has a useful lower tier and sits on shapely cabriole legs. There is beautiful fretwork at the top of the legs just beneath the top. We have recently had this re-polished, the condition is excellent for its age. There is just some minor wear and patina beneath the polish here and there. Width – 23 inches , 58 cm Depth – 23 inches , 58 cm Height – 27 inches , 68 cm
