Description

A perfect addition to any child's bedroom! Why settle for a modern chipboard child's desk when you could have a lovely piece of indestructible vintage oak furniture. This desk dates to the 1930s and is built to last, with three solid drawers and a beautifully worn in work surface & has a no-nonsense, very 'on trend' industrial look. This is a great item that will easily blend in with the modern or traditional home. Please see the other furniture we have listed. Working height 67cm.
