Description

This unusual piece was made in France in the late 19th century. It has a platform base veneered in rosewood with brass beading and a carved and painted edge. It stands on turned and carved feet with brass castors. The decorative legs are carved and gilded in the form of three storks which support the top having a carved and painted boarder with the centre book matched in rosewood veneer. French circa 1880 Height 77cm x width 71cm x depth 71cm
