## Description

This GRAND GEORGE III MAHOGANY CANTERBURY has three balustraded sections to the top with a drawer below. Your attention is drawn to the melon-shaped feet in which sit the original brass castors, hidden from view. There is decorative carving to the four outer posts and to their caps. With each side being panelled, the CANTERBURY is free-standing and can be viewed from all sides. As well as holding magazines, as can be seen from the last photograph, the sections are large enough to hold two bottles, side by side, and four deep. The CANTERBURY is in good original condition with a lovely colour and patina. Height: 20.75 inches (52.5 cm) Width: 27 inches (69 cm) Depth: 19.5 inches (50 cm)
