Description

Technical Description A superb pair of Victorian engraved Richardson wine glass goblets. They have large round funnel bowls with three cut and engraved oval panels of fruiting vine separated by cut back and engraved leaves. They sit on facet cut stems with star cut feet. Certainly, two of the finest examples of Richardsons work that we have had. Date & Origin England, c1880. Period of Victoria Condition Excellent, no chips cracks or restoration Dimensions Height: 17.5cm Rim diameter: 8.8cm Foot diameter: 9.2cm

Internal Ref: 2024022903
