Description

A stunning large Victorian antique solid sterling silver dish or bowl. It is hallmarked with Hanau marks and import marks for London 1893. It has been beautifully embossed with a scene of cherubs moving a champagne or wine bottle. It has been superbly made from thick gauge silver and is in superb condition being free from dings splits holes and repairs. It measures approx. 10.25 inches (26.6cms) across and 7 inches (17.6cms) by 1.75 inches (4cms) tall and weighs a very impressive 335 grams. A very good quality impressive piece.

Internal Ref: 33877
