Description

A good quality and very decorative model of a Pond Yacht dating from the early to mid 20th Century. It is very detailed with a wooden hull and full rigging with canvas sails and brass eyelets. It sits on a custom made wooden display stand. It is in very good condition and displays beautifully. There are some minor signs of age and use, some surface marks and light knocks and a few minor stains on the sails but nothing untoward or detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
