Description

A stunning set of eight antique mahogany dining chairs. They were made in England, they are in the classic Sheraton style and they date from around the 1890-1910 period. The quality is outstanding, they are beautifully crafted from solid mahogany with lovely carving throughout, particularly on the pierced oval back rests. They stand on tapered legs and have drop in seats that are easy to remove and re-cover if desired. We have had these recently re-polished, the condition is excellent for their age. There is just some extremely minor wear here and there, they have a gorgeous overall patina.
