Description

A top quality antique mahogany military campaign style desk. This was made in England, it dates from around the 1930's. It is very well made, with a useful and smart design. The mahogany has a lovely colour tone, there is high quality brass hardware throughout, including inset military brass handles and corner pieces. It also has an inset green leather top with tooled edges. The back is also nicely finished, so this can be used as a free standing item. We have had this recently re-polished, the condition is excellent for its age. The top lifts off and this breaks down into three pieces for ease of transport. Width – 48 inches , 123 cm Depth – 23 inches , 59 cm Height – 30 inches , 77 cm Knee height – 23.5 inches , 60 cm Knee width – 18 inches , 46 cm
