Description

A lovely antique camphor wood trunk dating from the early 20th Century. It has brass corner pieces, brass strapping and metal carrying handles and was most likely a military piece. It is very well made from solid camphor and has a lovely colour and patina. It also comes with a working key. The lock is stamped "The China Camphorwood Trunk Co". It is in good condition for its age and is strong and sturdy. All the brass pieces are present and it is clean and tidy inside. There are some signs of age and use, some small knocks and marks here and there but nothing detrimental. It has been cleaned and lightly polished and it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
