Description

A lovely mahogany wall cabinet dating from the late 19th Century. It is a nice small size with two glazed doors that open to a shelved interior. It is an excellent quality piece with rounded corners and a chamfered top edge and it comes with a working key. It is in excellent condition for its age. The mahogany has mellowed to a lovely colour and it has developed a nice patina. It is not without some small knocks and marks and signs of age and use but nothing detrimental and it displays well. The interior is clean and tidy and it has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
